Miss Dunch,
I know you won't believe
me but I've learned quite
a bit in Latin. I know you
had a tough time with me.
I'm a very naughty girl.
Best of luck to a swell
teacher. See you next year
Christine Beglu

Miss Dunch,
I've really gained alot
through your teaching. And not
only in Spanish but in moral lessons.
Thanks alot to a very kind and
understandable teacher.

Miss Dunch
You have tried to me
without a extra fee
But I have tried to
even though at times you were stern
We have tried on you many pranks
so to you Miss Dunch I say (I know)
(I know I say "thanks")

Miss Dunch,
I know I'm far from
being a "model" student but
anyway I tried. Best of
luck to you always,
Joan Selman

Miss Dunch,
I've enjoyed this
Spanish class. I hope I
didn't give you
too much trouble
at times.

We respectfully dedicate our 1953 Monocle to Mr. Patrick M. O'Brien, instructor in English and Monocle adviser at Chippewa High. Mr. O'Brien has been the adviser for the Monocle for the past five years.

We wish to extend our appreciation for the help and advice he has given us, the staff of the Monocle, and for the considerable amount of time and work he has put into the Monocle to make it a bigger and better annual.

Miss Dorch.
 I want to thank you for all the help you gave me this year. Although maybe I didn't learn as much as really

The School Board is a group of people elected by the people of Chippewa Falls. They have the job of selecting our teachers and seeing that the school has the proper facilities to give us the best education possible.

The students of Chippewa Falls High School would like to take this opportunity to thank the Board of Education for their untiring efforts they have given for the betterment of our school.

Senior Class

I think we can all remember the year of 1951, when we first entered Senior High. At that time we were all a little shy, but it didn't take us long to get acquainted with the school and the upper classmen and show them that we too had school spirit. As sophomores, we took part in many activities, such as Thespians, G.A.A., Pep Club, Band, F.F.A., Monocle, Chatter, Student Council and Chorus.

When we became juniors we were used to the life at Senior High and took part in almost every activity that we could. Our muscular boys represented us on the football field, as well as the basketball floor. The biggest event of the year was the prom, with King Bill Kroll and Queen Carol Otto reigning. The theme was "South Pacific," and the gym was beautifully decorated.

Those two years went by mighty fast and when we received our class rings in the fall, we realized that we were to be Seniors. Our last year at Senior High was a happy one and will hold many memories for each of us. Included in these will be the Senior Class Play, Family Circle, the Senior Tea and Picnic. The highlight on the list of memories was graduation night. This was the last event we took part in at Senior High and was sad in that manner, but it also gave us a chance to go out into the world and show what we can do.

Class Prophecy

June 4, 1963

Miss Eileen Ricksford
Cairo, Egypt

Dear Itsy

I am sorry that you were unable to attend our 1953 Class Reunion because of your important missionary work in Africa. The reunion was held at the Empire Cafe owned and operated by Mr. and Mrs. Ray Elwood. Mrs. Ray Elwood was the former Joyce Kaphingst. "Catfish" Crawford, acting as chief chef assisted by Dick Hoover, served Jim Campbell's specialty, Pork and Beans. Harlan Gutknecht and Walter Katz, because of their grocery establishment, donated the steak. For dessert we had Sylvia Harper's Fuddy Nut Whip. Bob and Ione Klinger offered to furnish meat from their fox farm, but Meat Inspector, Earl Melville, prohibited it. Acting as waitresses were: Pat Neitzel, Audrey Olson, Adeline Roder, and Lou Ann Harris.

The following persons were unable to come to the reunion because of their work with Uncle Sam: Roger Iverson, Frank Aasen, Delmar Blank, Tom Brick, and Galen Decker.

To start the entertainment Gordon Hallum, Master of Ceremonies, praised Lee Kjorlien and Alonzo Johnson who are running for Mayor of Chippewa Falls. Next on the program was Bill Smith's delayed conservation speech. For the musical part of the entertainment, the "Smith Sisters" gave their revised rendition of "Down In Bermuda" and Katherine McIlquham, accompanied by Marion Aude on the piano, tap-danced. The main event of the evening was the melodrama, directed by Don Peterson, with Jeanette Matthews as leading lady and Ron Meyer, Mary Benson, and Francis Grammont in supporting roles. During the melodrama, Larry Gannon suffering from a toothache was comforted by Dental Assistant, Berdella Zillmer. The last on the program was Claudette Miller, who read a chapter from her newly written book, "The Temperance Movement."

After the entertainment, I was talking to some of our classmates. I think you will be interested to know what some of them are doing: Chuck

Berg is planning a trip to Africa on his next furlough; Carol Warner is appearing in the opera, "Carmen;" Delores Chrystal is the Dietetics Advisor at the University of Wisconsin; Margie White is the new proprietor of the White House Inn; Phil Cardinal and Elton Smith are competing for head librarian of the Chippewa Library; Jim Gessner is the president of the Alcoholics Anonymous; Rev. Ernest Huth is the new preacher of a church in Ireland; Bob Meslow and Bill Kroll just finished their tour with the House of David; Ron Severn just finished his seventh year as Superintendent of the Northern Wisconsin Training School; Dorothy Ocask, Carol Otto, and Elsie Anderson just returned from Honolulu where they were nursing an epidemic of mumps. They reported that one of the patients was Harold Shilha, who is a life guard in Hawaii.

Due to the fact that Bill Stiles, founder of Stiles Cigar Company, passed samples around, the air was filled with smoke. Bob Yates and Ed Bathke solved the problem with their latest invention — Smoke Remover.

Gene Korn's "Korny Six" supplied the music in the Empire Ball Room managed by Herman Schemenauer. The "Korny Six" consisted of Carolyn Klemke, Nancy Bateman, Austin Fray, Gordon Anderson, and Sandra Thomas.

Near the close of our reunion, Ernie Dageford gave a toast for our next reunion to be just as successful.

I have to close now because my favorite program the Bob and Ray Show is on television and after which there is a meeting of the Athena of which I am the advisor. As you've probably heard the Bob and Ray Show consists of Bob Schneider and Ray Cohoon, who are still using the same slogan, "write if you get work and hang by your thumb."

Love,

Jan

P.S. Write me when Chuck arrives. He was worried about the new wing-less plane that he was going to fly in, which was invented by Ray Mower.

The Junior Class

Our first two years are over and now we can look forward to the role the seniors have left us.

The Junior Class this year consisted of approximately 150 students, many of whom participated in events such as Thespians, Chorus, Band, F.F.A., F.H.A., Monocle, Chatter, Commercial Club, Forensics, and many other school activities.

Marion Mueller was named assistant editor on the Monocle. On the Student Council were Elinor Mason, Marion Mueller, Pat Hedrington, Jean Melville, Jim Schafer, Dennis Vogler, and Jerome Prince. Jean Melville was our Class chairman.

We were represented on the Football team by Jerome Prince, Jay Stanley, Gilbert Bennet, Dick

Hagen, Truman Woodruff, Chuck Mehls, Rolland Sallings, Denny Laramy, Bruce Krause, Jim Elstran, Dale Buhrow, Ray Nazer, and Bob Gumm.

The whizzes on the basketball floor were Dale Buhrow, Dick Hagen, Bruce Krause, Rolland Sallings, Jerome Prince, Denny Laramy, Jim Elstran, and Bob Gumm.

As Juniors, we now look back upon the last two years as being profitable. As prospective Seniors, we look forward to our next year to fulfill our ambition — that of making the class of "54" one that will have been of greater service than any that has gone before; one of which Chippewa High can be proud!

YOU CAN ALWAYS TELL

You can always tell a senior by her stately cap and gown;
You can always tell a junior by the way she struts around.
You can always tell a sophomore but you can not tell her much.
You can always tell a freshman by her timid looks and such.

The Sophomore Class

As in previous years a new sophomore class has made their debut in the halls of Chippewa High, many of whom have proven that they are capable of carrying on the standards of Chi-Hi.

Out of a class of 183, a good number of the members contributed to our outstanding athletic department; also, many expressed their interest in Thespians, Band, Chorus, G.A.A., F.F.A., F.H.A.,

Forensics and other school activities.

Members of the Sophomore Student Council were Diane Bushland, Patricia Schmidt, Bill Flanagan, David Pressler, Raymond Holte, Janet Olson, and Eleanor Henneman.

Next year we will enter school as juniors and we will do our best to maintain the high standards of our school and remain loyal to the "red and white."

Class of '55

The Class of '55 has in trying to make the adjustment from Junior to Senior High School been confronted with many challenges. Each challenge has opened new avenues for expression. Whether this challenge has been in solving some problem assigned in regular classroom procedure or in the extra curricular activities, he has been aware of decisions to be made. Each decision has been one link in the chain of responsibilities.

Someone has said that youth is a time for making decisions, the time the boy or girl decides what kind of person he will become. Though backgrounds and interests may vary, our school provides a place for expression of each individual. If you haven't already found that place, find it now! Your guidance agencies in the student council, faculty members and administration stand ready to help you. Youth is the time for making decisions — decisions that bring satisfying rewards.

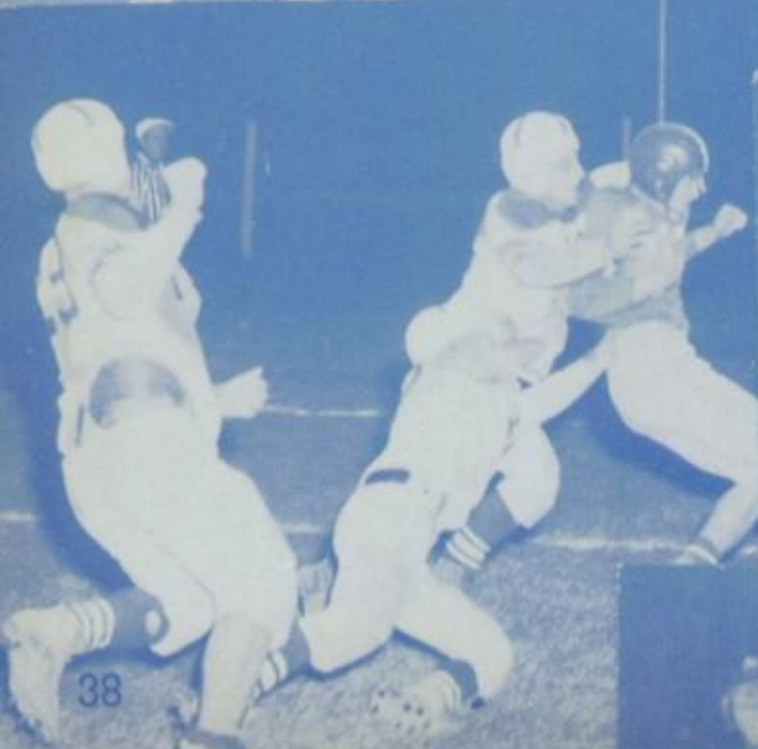

Chippewa Falls students who have accepted challenges and made wise decisions are to be found all over the world. Their wise decisions have been for the good and the constructive. In accepting challenges they gave us the pride we feel in singing, "Hail to thee our Alma Mater, Hail, all hail Chippewa!"

Football Season

Chippewa Cards opened a very tough season with a 13-13 tie against Stevens Point. Pitsch and Kroll scored the touchdowns for the Cards. After this game there was much optimism among the Red and White, and a good season was expected. As it turned out, the Cards didn't live up to expectations.

They played Bloomer the following week and for the first time in many years the Cards were favored. However, the Red and White were whitewashed 26-0. Chippewa was never in the ball game and the Hawks kept piling it on to avenge the defeat the Cards hung on them last year.

Chippewa was expected to bounce back against Menomonie, but it just wasn't in the books. We were beaten by a score of 21-6, but the score could have been closer except for a few breaks. A fumble and a pass interception halted the Cards deep in Menomonie's territory to prevent the Cards from scoring. Kroll finally scored in the fourth period to give Chippewa its points.

The Red and White played Marinette next and were soundly trounced 27-0. The Cards played a good game except for several lapses which Marinette took advantage of by turning them into touchdowns.

Chippewa put a record of one tie and three losses to their Homecoming encounter with Rice Lake. The Cards finally crashed the win column by downing the Warriors 25-6. Kroll and Hayes each had two touchdowns.

Chippewa played La Crosse after Rice Lake and were really trounced. The final score was 46-0. The score was a respectable 13-0 in the fourth quarter and the play fell in, La Crosse scoring five very quick touchdowns to complete the rout.

The next game brought up the Old Abes from Eau Claire. The Old Abes were heavy favorites, but after the smoke cleared away they could take home only a 7-6 victory over the Cards. Chippewa scored a touchdown on a pass from Meslow to Gannon and Kroll scored the extra point, but the play was nullified. The Cards still had a 6-0 lead which suddenly wasn't there. Bowman of Eau Claire ran back the kick-off 98 yards for a touchdown and the Old Abes converted to make the extra point and what turned out to be the winning point.

Chippewa played Winona for the game of the season. The score was 14-0 in favor of Winona. Winona scored touchdowns in the second and fourth quarters to take the win.

Thus a rather poor season for the Cards ended with one win, five losses and one tie.

Tennis

Tennis was revived this year, and the Cards had one letterman from the '51 season, Bill Stiles back. However, freshman Bill Elstran pushed Stiles hard for the number one position. The other squad members were Bob Gumm, Maurice Rice, Ray Cahoon, Sam Cardinal, and John Meslow. The netters opened the season by defeating Regis at Eau Claire 4-3. They dropped their second match to the Old Abes of Eau Claire by the same score. Prospects look bright for finishing the season with a better record than any other team since coach O'Brien has been here.

Basketball Season

Chippewa, as expected, had a good season. The Cards had outstanding players among the seniors; namely, Meslow, Kroll, Severn, and Elwood. These boys were backed up by some very fine juniors, who promise to give Chippewa a good team for the coming season. These are Salling, Hagen, Prince, and Buhrow.

Chippewa opened the season at home by playing Cornell and defeating them by a score of 50-46. Following this game, the Cards played Bloomer in one of the most thrilling games ever played in the Junior High Gym. The game was finally won by Bloomer 80-74.

The Red and White bounced back to beat Spooner in the next game, coming from behind, to win 60-57. Chippewa traveled down the river to Eau Claire for the next encounter and were nudged by the Old Abes, 50-49. Next, Chippewa played Spring Valley and defeated them in a well-played game 68-42 to make the Card's "Won and Lost" rating — 4 wins and 2 losses.

Chippewa made an overnight trip to Marinette for the next game, and were soundly trounced 85-47, but a bright spot was that Meslow pumped in 30 points to lead all scoring. The team traveled to Menomonie and absorbed a 73-60 defeat at the hands of the Indians.

The flu bug struck the team and the undermanned Cardinals showed their fighting spirit as they played Stevens Point on the home court. With no team having more than a six point lead, the Cards finally lost 68-65 in a very exciting game.

Chippewa played Cornell for the second time and beat them in an overtime game 57-55 at Cornell. The team traveled to Spring Valley to play their first game under the new coach, Orris Boettcher, after coach McGuire's departure to Ashland and defeated them 73-53 in the second meeting of the season. Playing Rice Lake for the second time also, Chippewa defeated them 76-64.

The second game with the Old Abes! Chippewa was sure they could beat the Novak men but they were

downed in a very dull game by the score of 74-53. The Cardinals lost their next encounter with Bloomer being trounced by the count of 67-46. The Red and White seemed to bounce back from this defeat in a game with Menomonie; but the Cards still took a licking in another thriller by the score of 66-58.

The Red and White traveled to Ladysmith for a make-up game and trounced the Lumber Jacks 79-68. Bob Meslow set a new Chi Hi record with an amazing 44 points. Chippewa picked up a game with Chetek and won it in a rough-tough battle 70-63. In another pick-up game against River Falls, which was played at Spring Valley, the Cards pulled an upset, downing the Falcons 69-68. Chippewa now had one more game left before the tournament and they dropped it to a fine Ladysmith team in a thriller, 64-63. Meslow led the Cards scoring with 26 points, but Morgan outscored him with a neat 31 points.

Chippewa, with a season record of 10 wins and 9 losses, faced a fine Colfax five in the opening tournament game at Eau Claire. The Red and White outscored them from the field, but the Cards had 31 fouls called against them which meant defeat. They were defeated by Colfax 57-55. The Cards played Stanley the next night for a chance for the consolation title and romped all over Stanley downing them 74-46.

This put Chippewa in the consolation finals against Mondovi. The Cards were outplayed and outmaneuvered to take a 62 to 50 loss. Bill Kroll was the only bright spot for the Cards, pumping in 18 points.

Bob Meslow set a new individual scoring record for the season with a total of 507 points. He also set a record score for an individual game of 44 points. Another interesting factor was that he scored 117 points in 5 games with an average score-per-game record for the season of 23.04. The previous high scoring record for Chippewa High was 468 points for the season, set by big Ed Willke.

G. A. A.

Every Thursday night, the gals of Chi-Hi, assemble to let off steam and to learn sportsmanship through games sponsored by the Girls' Athletic Association. These include basketball, volleyball, bowling, tumbling, speedball and softball. Sportsheads this year include Donna Mandelert, Eileen Ricksford, Pat Hedrington, Joy Ann Roberts, Donna Newton and Barbara Harper.

The other activities sponsored by the G.A.A. were a Barn Dance, and a sleigh ride. The girls also played the All-Star Night School League in a couple of games of basketball.

To earn an emblem you must earn 1000 points. The girls who earned their emblems

were Jeanne Isom, Joy Ann Roberts, Carol Warner, and Borgny Ager. Dorothea Thompson earned 1500 points which entitled her to a pin.

The officers of the 1952-53 G.A.A. activities were Carol Warner, President; Dorothea Thompson, Secretary; Linda Lea, Treasurer. Mrs. Mehls was the faculty advisor.

During the year two members were elected to the Chippewa Falls Youth Council. They were Pat Hedrington for one year and Arlene Shafer for two years.

The G.A.A. picnic was held on Monday, May 18 at Mrs. Graber's cottage.

AMERICAN LEGION AWARD

Dorothy Ocasek and Robert Meslow were the two seniors chosen by their class and the faculty to receive the American Legion award which is given each year to a boy and a girl who best represents qualities of good citizenship. Qualities which are necessary to becoming a better citizen are leadership, scholarship, honor, character, and courage.

Dorothy belongs to Chorus, Athena, Student Council, G.A.A., and other clubs. Bob was a very active member of both the Basketball and Football teams and received a nomination to the North-South All Star Tilt. He is also a member of the Chorus, Monocle Staff, and Chatter Staff.

MOST VALUABLE PLAYER AWARD

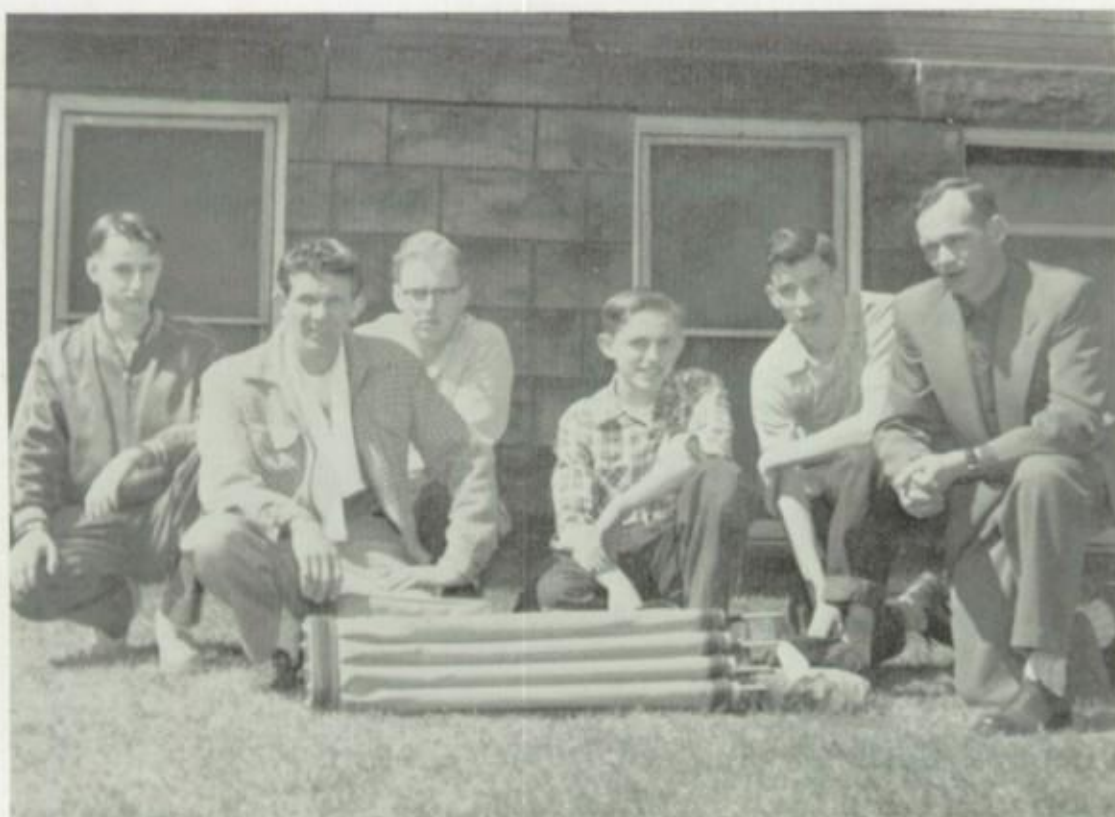

Lawrence Gannon is this year's recipient of the Most Valuable Player Award. He has been active on the football team for the past two years playing both offensive end and defensive end. Larry was an exceptional pass receiver, and his defensive playing was also outstanding. He has done an outstanding job on this year's team and also in the other sports in which he has participated.

BABE RUTH AWARD

This year the Babe Ruth Award has been presented to two of Chi Hi's outstanding students, Claudette Miller and William Kroll. The award was given on the basis of cooperation, courage, companionship, and sportsmanship.

Claudette has been an active cheerleader, debater, Student Council member, G.A.A. member, and a part of many other activities. Bill was outstanding on both the Basketball and Football teams and in other sports, and he was also a Student Council member and on the "Chatter" staff.

This is the third year for track at Chippewa, coached by Orrie Boettcher and Link Olson. The Cards placed third in the first meet, three-tenths of a point from second place, which was played at Rice Lake. The second meet was held in La Crosse. We took sixth place. The dual meet with Menomonie was won by Chippewa. Bob Roberts, Ernie Dageford, Phil Pitsch, and Bob Meslow

stood out during this year's season earning firsts and seconds in broad jumping, the 100 yard dash, the 440 and the 880. Phil Pitsch, Dick Bergeron, Bob Roberts and Bob Meslow, teamed up in sprint relays to add more points. James Gessner, Harry Shilha, Karl Rihn, and Dick Bergeron made up the mile relay. This year's team missed Jack Whereatt, last year's pole vault man.

Homecoming - 1952

The parade which preceded the Homecoming game started from the south end of Bridge Street at 6:30, led by the Cardinal Band and Cadettes. The Junior High School band also marched. Floats, made by various Senior High organizations comprised the parade. The Thespian Float, "The Plays the Thing," won first place. The Commercial Club and F.H.A. won second and third.

Before the game, Homecoming Queen Linda Lea was crowned by Dale Walter, former Chi Hi athlete, in the absence of Marvin Luedtke, last year's football captain. Her attendants, Judith Gebhard, Barbara Harper, and Claudette Miller were all presented to fans in pre-game ceremonies. While a large Home-

coming crowd roared its approval, the Cardinal football team rolled to a 25 to 7 victory over Rice Lake's undefeated team. Between halves the crowd was entertained by the Cardinal Band and Cadettes, who staged a precision marching exhibition depicting various modes of transportation through the years, forming a horse, a bicycle built for two, a railroad handcar, and an airplane as the band played appropriate music.

The activities were ended by a Homecoming Dance, which also turned out to be a Victory Dance at Junior High. Jimmy Knight supplied the music for this Pep Club sponsored dance that really wound things up right.

Midwinter Formal

December 20, 1952, was the date of the annual Midwinter formal dance. Queen "Claudette" Miller ruled the court with Ronald Mastin as king. Claudette's attendants were, Carol Warner escorted by Dennis Johnson and Dorothy Ocasek escorted by Ronald Severn.

The theme was "Skater's Waltz." The decorations corresponded to the theme. Life size figures of girls and boys skating were tacked to the wall with bars of music separating each set of figurines. The pine tree was located in the middle of the floor, which was covered with artificial snow with its peak pointed toward the middle of a large yellow moon.

To make the thing more realistic, in one corner of the pond was a large crack in the ice with the typical "cracked ice" warning sign. Tree branches also hung down from the balcony. Blue streamers leading from the moon to the balcony railing served as the sky.

During the grand march dozens of snow flakes fell from the moon to the tree. Many of these were secured by the dancers as keepsakes of the prom.

The floor show consisted of the singing of the theme song by Dick Lowater, dances by Evelyn Knight's dancing pupils and a fine display of tumbling, also done by one of the dancing students.

Senior Class Play

The Senior Class Play this year was "Family Circle." It was a comedy in three acts, written by Cornelia Otis Skinner.

Cornelia, portrayed by Claudette Miller, is a young girl of seventeen. She tries to prove her acting ability throughout the play, but her mother, (Nilah Nabor), and her father, (James Paulson), who were both former theatre stars, seem to think that she is still a child and that she has no acting ability.

Charlie, played by Bob Langill, is very much fascinated by Cornelia, but he never does quite understand her. Others in the cast are Carol Dinkel, Carol Otto, Carol Krause, Carol Warner, Sandra Thomas, Elton Smith, Dick Lowater, Guy Hutchinson, and Curtis Miller.

Miss Johnson deserves much credit for her work and patience in making the play a success. The stage crew also deserves a lot of credit.

N. F. L.

The National Forensic League is a national organization of students interested in and actively participating in Speech work.

Every time a student speaks publicly, he is given a certain number of points. After receiving 20 points, he is eligible for membership in the N.F.L. and upon doing so receives a Degree of Merit. He can then work for a higher degree. When he has received 50 points, he receives a Degree of Honor; when he reaches 100 points, he receives a Degree of Excellence; and at 200 points, he receives a Degree of Distinction. After reaching 200 points a scholarship to the college at Ripon, Wisconsin is awarded to the student, with a dollar for every point received.

This year at Chippewa Falls, the N.F.L. president was Patricia Preston; the Vice President was Ronald Mastin; the Secretary, Judith Froberg; and the Treasurer was James Larson. The advisors are Miss Nelson and Mr. Zoeller.

Forensics

The Forensic Season opened with the Speech Institute at the Eau Claire State College, October 18.

Bob Langill received first place in the Radio Speech District Contest held at Radio Station WEAU, Eau Claire. The contest is sponsored by the subject "I Speak for Democracy."

Again Chippewa Falls was host to the Invitational Speech Tournament on March 7. Nine schools participated in the event.

The second Annual Northern Wisconsin District Tournament of the National Forensic League was held at Merrill, Wisconsin, March 13 and 14. In this meet Chippewa placed fourth in tournament trophy points.

March 21 the following people received "B plus" ratings at the Eau Claire District Contest: William McIlquham in humorous declamation, Claudette Miller in original oratory, and Ronald Mastin in 4-minute oratory. Those who received "A" ratings making them eligible for the state contest were: Pat Preston in Extemporaneous Speaking, James Larson in Learned Oratory, Carol Dinkel in Original Oratory, Jeanne Isom in Serious Declamation, Katherine Hawkins in Extemporaneous Reading, and Gwen Gaynor in Humorous Declamation.

At the State Contest held at the University of Wisconsin in Madison April 11, James Larson, Carol Dinkel, and Jeanne Isom received "B" ratings.

Besides tournament forensics, students have a full program of service speeches. They appeared before many civic groups in the city.

The year closed with an N.F.L. Open House at Senior High May 6. Guests at this annual occasion included members of the Board of Education and those faculty members who had assisted in the speech program.

Cardinal Band

The Cardinal Band has just added another very successful year to their record. With the help of the cadets they performed some lovely maneuvers at all home football games. The two pep bands also did a competent job at all pep meetings and home basketball games. They also presented three concerts: Christmas concert, Mid-winter concert, and the annual Spring Concert.

The Band was very proud of the outcome of the Solo-ensemble contest which was held March 27. The band had 52 entries, and walked off with 38 firsts, 10 of which were starred firsts, and 14

seconds, an outstanding accomplishment.

On May 2 the band went to Eau Claire for the District Festival. The band entered in class "A" this year, and did a very fine job. They received a "first place" in concert band and took the marching trophy; which was also in class "A."

The Band did something new this year. On May 14 they took a trip to River Falls to present a concert to the college.

The last big affair was the band and chorus picnic which was held May 25 at the park.

Pep Band

This year, during football season, the Pep Band was comprised of about twenty-five members. That number was a little too large to send to the basketball games so when basketball season rolled around two pep bands were formed of about fifteen members each. One band was headed by Marion Mueller and the other by Dick Lowater. When the season first began, the two captains

flipped coins to see who would play at the first game. From then on the bands alternated.

All Pep Band members feel that it is a great honor to have been chosen to play at games and try to keep up their part of the bargain by bringing more school spirit to the pep meetings and games. They really do a very splendid job of it too.

The Carolers

Every year Miss Averill chooses a group of girls from the Chorus with musical ability to sing in the Carolers. When December comes, the girls begin to practice in the music room at the early hour of 7:30 A. M. Many weeks of hard practice precede the singing programs presented by the girls. Old and new Christmas songs are mastered

in three-part harmony. The tradition of the Carolers is to wear colorful red caps and capes. Many organizations have enjoyed the singing of the Carolers during the Christmas season. They have sung for the Waterman Company, the Kiwanis Club and various Parent Teachers' Association meetings throughout the year.

Debate

This season found the high school debators of Wisconsin discussing the proposition, Resolved: That the Atlantic Pact nations should form a federal union.

Twelve debators propounded the pros and cons of this vital and interesting question. For the "A" squad, Patricia Preston and Claudette Miller took the affirmative side while Carol Dinkel and Edwin Bathke upheld the negative position. Jim Larson and Joyce Kaphingst acted as alternates. The other debators were as follows: Nancy Baier, Bill Elstran, Judy Froberg, Myrna Harck, Kay Hawkins, and David Pressler.

The "A" squad ended the season with many honors. At the New Richmond Mixed Tournament and the Merrill Invitational, Chippewa High came in third of all the schools entered. At the La Crosse Tournament, Pat Preston was awarded a medal for placing second in Individual Speaking. We were given a first place at Gustavus Adolphus and fourth place at the National Forensic League Tournament in Merrill. The only heart-breaking time of the whole year was the Chippewa Sec-

tional, where we won only three out of six debates, disqualifying us for the State Tournament. One of our freshman, Myrna Harck, won honors by placing second in Individual Speaking at the Freshman-Sophomore Debate Tournament. It was agreed on by all the debators that we have had a pretty wonderful year, even if we didn't go to the "State." Mr. Joseph Zoeller, Junior High English Instructor, coached this year's squad.

The following is a list of all tournaments attended by the Chippewa High Debate Teams:

- Discussion Tournament in Eau Claire
- Kick Off Tournament at Eau Claire

Librarians

The librarians have a bigger job than most of us realize. We all know that they maintain order in the library and check out books. This is just a small part of their job, however, they

also check the roll and the mail in this library. They check in books and see that they are all in the proper places in the shelves. These students really deserve the name of librarians.
